

Rolls-Royce Motor Cars
Wraith Accessory Collection

Welcome

The most dynamic Rolls-Royce motor car ever built, Wraith is the true embodiment of power, style and drama.

This sentiment is also true for the Wraith Accessory Collection. Each product is designed and built without compromise. Crafted with meticulous detail, the collection, much like Wraith, affirms Rolls-Royce as the absolute pinnacle.

Complementing the exterior aesthetics and enhancing the interior comfort and functionality, the Wraith Accessory Collection allows you to personalise Wraith to your needs and express your individuality.

Interior & Technology

Refined personal luxury

Wraith is lovingly hand built by skilled craftspeople and technicians. To complement their work, the Wraith Accessory Collection combines stunning design and intricate detail to create a unique expression of your personality. With our interior and technology accessories, you can connect seamlessly to the outside world while cocooned in luxury.

Canadel wood panelling

Tactile and with a light satin finish that retains the material's natural texture and open grain, this crafted wood contributes to the cabin's warm, contemporary ambiance. The veneer is book matched throughout and gently curves to hug the contours of the doors.

Engraved treadplates

Finished in high quality polished stainless steel, the range of engraved treadplates add a distinctive touch to Wraith's contemporary interior.

Lambs-wool floor mats

Feel the luxurious softness of lambs-wool underfoot with these tailor-made floor mats. Choose from a range of colours to match your vehicle's interior.

Tufted floor mats

These tailor-made mats are comfortable and hard wearing, protecting the carpet against dust and dirt. Choose your preferred colour to match your vehicle's interior.

RR monogram to all headrests

The interlinked RR monogram can be elegantly embroidered into all four headrests in either a colour-matched or contrasting thread, emphasising Rolls-Royce's attention to detail.

Wireless car hotspot

Whether you're stationary or on the move, you can browse the internet and read your emails easily and reliably. Installed in the front centre armrest, there are two operating modes to choose from, either as a hotspot or as a hotspot and telephone. This wireless device switches automatically between 2G and 3G networks, ensuring the best possible network connection. Several WLAN devices can also be connected simultaneously. Restrictions on use apply in certain countries. Please check with your appointed Dealer for details.

Snap-in adapter

These snap-in adapters connect your mobile phone to the vehicle's external aerial to boost reception, all the while charging the phone's battery. With some mobile handsets, you can play the music that is stored on your phone via the vehicle's audio system, controlled effortlessly from Wraith's Spirit of Ecstasy Rotary Controller. Snap-in adapters are available for Samsung, Motorola, Sony Ericsson, Blackberry† and Apple* mobile telephones.

Car Care & Protection

Maintaining automotive perfection

From the outset, Wraith was designed to be a driver's car; a masterpiece of elegant simplicity, exuding both power and poise. Our carefully selected products are equally powerful, designed to protect and maintain your Wraith.

Winter wheels and tyres

There's no need to compromise on comfort and elegance, even in the most hazardous winter conditions. Offering up to 20% better grip in temperatures under 7°C/44°F, the sophisticated tread design provides greater traction on mud, ice and frozen or melting snow. The risk of aquaplaning on wet roads is also reduced. Fits 19" alloy wheels only. Please contact your appointed Dealer for more information.

Snow chains

Rolls-Royce snow chains improve traction, braking distance and driving stability on snow or ice, essential for ski trips or life in colder climates. Fits 19" alloy wheels only. Please contact your appointed Dealer for more information.

Tailored indoor car covers

Handmade to the highest standard, these tailored indoor car covers consist of a washable material with a soft and breathable fleece liner. Choose a single or dual colour combination from a palette of 18 main colours. For the highest level of personalisation, initials, names, crests, insignia or RR monograms can be embroidered into each side of the cover, in carefully selected locations. A hard-wearing protective storage bag ensures the cover is well maintained when not in use.

Car cover, airflow storage system

Keep your Wraith in pristine condition in a dust, dirt and damp-free environment. This hard-wearing inflatable cover creates a dry micro-climate, with twin fans continuously circulating air around the vehicle.

Indoor car cover

Protect your Wraith's paintwork from dust, damp, as well as accidental knocks and scrapes. Made from a breathable stretch-fabric, and featuring twin embroidered RR monograms, it is elegantly stowed away in its own storage bag when not in use.

Battery conditioner

This mains-powered battery conditioner ensures optimum charge level is always maintained. With magnetic coupling and an LED indicator it conveniently connects to Wraith's new vehicle charge point located in the luggage compartment.

Car care kit*

Ensure that the inside and outside of your Wraith is maintained to the highest standards with this luxury car care kit. It comes packaged in an RR monogrammed carry case.

Swissol car care kit*

Treat the interior and exterior of your vehicle to professional grade Swissol car care products. This carefully selected kit contains everything needed to protect and keep your Wraith in pristine condition. All the items are conveniently presented and stored in an RR monogrammed carry bag.

Canadel wood panelling care

Rolls-Royce Teak Cleaner is the approved solution to clean the unique satin finish of your Canadel wood panelling.

*Restrictions on use apply in certain countries. Please check with your Dealer for details.
